Dhanbad, the 15th March, 1966

AWARD

By its Order No. 2/113/65-LRII, dated the 15th December, 1965, the Government of India, Ministry of Labour and Employment, referred under Section 10(1)(d) of the Industrial Disputes Act, 1947, for adjudication to this Tribunal an industrial dispute existing between the employers in relation to Pure Kustore Colliery, P.O. Jharia, District Dhanbad and their workmen in respect of the matters specified in the schedule annexed to the order of reference, which is reproduced below:

"SCHEDULE

Whether the dismissal of Shri Nanak Nunia, Crusher Mazdoor Sirdar, by the management of the Pure Kustore Colliery with effect from the 12th July, 1965 was justified? If not, to what relief is the workman entitled?"

2. On 24th February 1966 a joint petition of compromise bearing the thumb impression of Nanak Nunia, the concerned workman, who was also present in person, and, on behalf of the management by Shri G. D. Patra, Manager of the Pure Kustore Colliery and their Advocate Shri S. S. Mukherjee, was filed and a joint prayer was made that the reference be disposed of in terms of the compromise.

3. As the union did not appear on that date, I recorded the statement of the concerned workman Nanak Nunia, WW1, on 24th February 1966 with regard to the compromise petition filed by him. He admitted to have filed the petition of compromise and to have given his thumb impression on it and when the thumb impression on the petition was shown to him he admitted it to be his own. He further admitted that he had entered into the compromise of his own free will. He also stated that he did not want his reinstatement in the colliery as he was to get Rs. 300 as ex-gratia payment and also his arrear wages. He was informed by the Tribunal to be present on 15th March 1966 when the union had been directed to appear to show cause why the compromise should not be recorded.

4. On 15th March 1966 Shri S. S. Mukherjee, Advocate, appeared for the management and Shri Gopal Chandra Munshi, General Secretary, Khan Mazdoor Congress appeared for the union, which represented the concerned workman, but the concerned workman himself was not present although he was asked to be present. The union filed a petition contesting the compromise and submitted that the said compromise was not a fair one and the concerned workman on account of his object poverty accepted the compromise for a small amount of Rs. 300 only. It was further stated that the concerned workman went home and coolly thought over the matter and he sent a letter to Shri Raj Ballav Prasad, the Secretary, Khan Mazdoor Congress, which shows that the concerned workman is not happy with the terms of the compromise and the said alleged post card was filed along

with the petition and, therefore, it was prayed that the compromise was not beneficial to the interest of the workman and it should be rejected.

5. The post card is alleged to have been sent by one Nanak Prasad on 3rd February 1966 from Khuthha. The concerned workman is Nanak Nunia and he has given his name as such in his deposition in Court on 24th February 1966, when he was examined as WW1. He is not literate and surprisingly enough the signature of alleged Nanak Prasad appears on the post card. This post card, therefore, is very suspicious and I am not prepared to accept it as a genuine document sent by Nanak Nunia, the concerned workman. I examined, as stated before, the concerned workman on the very day the compromise petition was filed and he stated before me that he entered into the compromise of his own free will. He further said, as stated earlier, that he did not want his reinstatement in the colliery as he is to get Rs. 300 as *ex-gratia* payment besides his arrear wages. For these reasons, I have no doubt that the compromise is a *bonafide* compromise and that the objection of the union is not sound, and, therefore, it is rejected.

6. The result, therefore, is that the reference is disposed of in terms of the compromise, which is marked Annexure "A" and an award in terms of the compromise Annexure "A" is made and the said compromise (Annexure "A") is made a part of the award.

7. This is the award which I make and submit to the Central Government.

APPEARANCES:

STATE: Bihar.

INDUSTRY: Coal.

Dhanbad, the 23rd March, 1966

AWARD

By its Order No. 2/92/63-LRII, dated the 22nd January, 1964, the Government of India, Ministry of Labour and Employment, referred under Section 10(1)(d) of the Industrial Disputes Act, 1947 (hereinafter referred to as "the Act") for adjudication to this Tribunal, an industrial dispute existing between the employers in relation to Digwadih Colliery of Messrs. Tata Iron and Steel Company Limited, Jamadoba, Post Office Jealgora, (District Dhanbad) and their workmen in respect of the matters specified in the schedule annexed to the order of reference, which is reproduced below:

SCHEDULE

"Whether the dismissal of Shri Ram Tilak Singh, Watchman (T. No. 3326) with effect from the 26th March, 1963 by the management of Digwadih Colliery of Messrs Tata Iron and Steel Company Limited, Jamadoba, Post Office Jealgora (Dist. Dhanbad) was justified? If not, to what relief is he entitled?"

2. On 24th February 1964 the management filed its written statement in which a preliminary objection was taken to the effect that the present dispute, not having been supported by a substantial number of workmen of the concerned workman nor by his union, was an individual dispute, and, therefore, outside the purview of the Act and the management was not aware if the concerned workman, Shri Ram Tilak Singh, was a member of any union at the relevant time, and, therefore, he was put to the strict proof of the same. It is not necessary at present to state his case on the merits. It will be necessary to mention only if the preliminary objection is overruled.

3. On 30th March 1964 the concerned workman also filed a written statement in which he dealt with the merits of the case, but did not controvert the preliminary objection taken by the management in its written statement. The case of the workman on the merits of the case also will be mentioned, if necessary, if the preliminary objection of the management is rejected.

4. Sarvashri S. S. Mukherjee and S. N. Singh, Legal Assistant, appeared for the management and Shri B. N. Sharma, President, Congress Mazdoor Sangh, appeared for the union representing the concerned workman.

5. When the case was taken up, on behalf of the management documents were filed which were marked Exts. M to M18. Union also filed its Membership Register, which was marked Ext. W. Thereafter, both the parties argued on the preliminary point and order was reserved.

Preliminary Objection.

6. The preliminary objections of Shri Mukherjee was that the present dispute was an individual dispute, because the present union—Congress Mazdoor Sangh—was started in this Colliery on 23rd September 1963 and the concerned workman became its member on 11th December 1963, long after his dismissal on 26th March 1963, and, therefore, the union had no jurisdiction to convert the individual dispute of the workman into an industrial dispute when his dispute was not sponsored by his workmen or by any other union, so as to convert it into an industrial dispute and as such the present reference was incompetent.

7. It appears that the concerned workman was dismissed on 18th March 1963 with effect from 26th March 1963. It further appears from Ext. M18 that Shri B. N. Sharma informed the Manager of the colliery on 23rd September 1963 that a meeting had been held on 22nd September 1963 at which he had been elected President and the other Office Bearers named therein had been elected. On the basis of Ext. M18, therefore, it can safely be said, and it had not been denied by Shri Sharma, that this union was started in this Digwadih Colliery some time in September, 1963 and the election of the Office Bearers was held on 22nd September 1963, and, therefore, he, as President of the Union, informed the Manager of his and of other office bearers' election. The Membership Register (Ext. W) further shows that the concerned workman, Shri Ram Tilak Singh, whose Serial No. is 96, became a member of the union on 11th December 1963, that is, long after his dismissal on 26th March 1963. In these circumstances, in view of my previous decisions, that in such a situation the union has no jurisdiction to convert the individual dispute of a workman by sponsoring it into an industrial dispute, and, therefore, the fact that this individual dispute was espoused by this union of which the concerned workman became a member after his dismissal and at the instance of this union this reference was made does not clothe the individual dispute with the characteristic of an industrial dispute as held by me, for instance, in Tata's Case which is reported in (1964-65) 27 F.J.R. 482, which has not yet been reversed. I would, therefore, reject the reference as incompetent.

8. This is the award which I make and submit to the Central Government.
